KASFOLD 640 Bookletmaker

The KASFOLD 640 Bookletmaker and modular T640 Trimmer is a compact booklet making system. Designed and built for those looking to produce larger format booklets it handles sheet lengths up to 640mm, producing A4 booklets portrait and landscape, and booklets as small as A6. Simple to use and quick to set up, combined with durability, the KASFOLD 640 is suitable for short as well as long runs. It jogs, staples, folds and trims with the T640 modular face trimmer.
